# Dà Mhìle Distillery

Distyllfa Dà Mhìle

## Dà Mhìle

*Established in 1992, Dà Mhìle, known for commissioning the world's first organic whisky which was distilled at Springbank Distillery in 1992. This Single Malt Scotch whisky was released to celebrate the new millennium, the year 2000, hence our name Dà Mhìle (pronounced Da-Vee-Lay), which translates as 'two thousand' in Scots Gaelic ('duy fil' in Welsh).*

*In 2012 we opened the doors to Dà Mhìle Distillery, situated on our organic family farm, in Ceredigion, Wales, where we have continued our proud heritage of producing unique single cask organic whiskies.*

*Our ethos at Dà Mhìle is based on the pursuit of excellence and ensures that the level of detail and workmanship that goes into filling each barrel is second to none. All our whisky is distilled in our hand-made, bespoke 350 litre copper, wood fired still, CERIDWEN, and then hand filled into a mixture of ex-European fortified wine casks and ex-Bourbon barrels.*

*This cask offer is an opportunity to lay down your own stock of the Dà Mhìle Single Malt Welsh Whisky, to witness its development from new make spirit to maturity and ultimately have access to a personal supply of our award-winning whisky.*

## Single Malt Welsh Whisky

*We are very proud to be part of the collective of Welsh distilleries that worked over many years to gain UKGI status for Single Malt Welsh Whisky. This was finally achieved in 2023.*

*This status ensures the quality and origin of Single Malt Welsh Whisky, and is an exciting development for not only us but for the whole Welsh whisky industry.*

*Aligning with the UKGI we make our whisky entirely in house, from brewing the wash, to distilling, aging and bottling, ensuring the highest quality throughout.*

*By choosing to support Dà Mhìle, you are not only supporting a small, family run business in rural Wales, you are ensuring that the whisky you receive is of the highest quality, made from only organic ingredients. At Dà Mhìle we know you will be receiving Wales' best whisky, full of flavour, aroma, and a mouth feel second to none - it is now your turn to embark on this journey.*

“

One cannot survive down a bumpy lane in rural Ceredigion by producing mediocrity.

The pursuit of excellence is written into our DNA.

*Co-founder John Savage-Onstwedder*

## Angel's Share

Approximately 2% of the casks contents will evaporate every year; at the same time, the strength decreases. There may be losses during bottling (if required) but this should not exceed

1% of the total volume. Please note that evaporation rates vary and some losses may be more than outlined above.

## Storage & Insurance

Prices are inclusive of 3 years storage and insurance in our own bonded warehouse on site at Dà Mhìle Distillery. Further storage and

insurance charges will be made thereafter on an annual basis, should you wish to mature longer than 3 years.

## Capital Gains

For UK tax payers, UK Capital Gains Tax is not applicable as whisky is regarded as a "tangible", "moveable" and "wasting asset". Whisky produced in a cask for personal use, gifts for family & friends for example would therefore be exempt from Capital Gains Tax on realisation of the asset.
